

About **FUEL CINCINNATI**[®] Committed to Firing up Greater Cincinnati

In A Rocketshell

Fuel Cincinnati is a non-profit accelerator that identifies motivated young leaders and ignites innovative projects. The goal is to provide start-up support to organizations and individuals who are focused on building stronger communities and making Greater Cincinnati a great place to live, work and play.

The Propellant

Fuel Cincinnati provides microgrants ranging from \$250 to \$2,500 to jumpstart fresh and creative ideas by groups and individuals otherwise struggle to find seed funding.

Fueling Fuel Cincinnati

Fuel Cincinnati is a program of Give Back Cincinnati (“GBC”), the region’s largest young professional organization. In 2008, a group of GBC volunteers wanted to provide funding for promising local initiatives. With support from the Carol Ann and Ralph V. Haile, Jr. Foundation, the Mayerson Foundation and a great team of volunteers, this idea transformed from a scribble on a napkin to a living organization that ignites great local ideas.

The Quest

Fuel Cincinnati is always on the lookout for fresh and innovative ideas, developed either for or by young professionals in the Greater Cincinnati area. Fuel Cincinnati focuses on funding projects inclusive of one or more of the following four core areas:

Education

•

Community Building

•

Environment

•

Diversity
